

# The Primary PE and sport premium

Planning, reporting and evaluating website tool

Updated September 2023

Commissioned by

Department  
for Education

Created by

This template can be used for multiple purposes:

- It enables schools to effectively plan their use of the Primary PE and sport premium
- It helps schools to meet the requirements (as set out in guidance) to publish information on their Primary PE and sport premium
- It will be an effective document to support Ofsted inspections enabling schools to evidence progress in Physical Education (PE) and evidence swimming attainment, which forms part of the PE National Curriculum. We would recommend schools consider the Intent, Implementation and Impact of any spend, as examined within the Education Inspection Framework.

It is important that your grant is used effectively and based on school need.

Schools must use the funding to make **additional and sustainable improvements** to the quality of the PE, School Sport and Physical Activity (PESSPA) they offer. This means that you should use the Primary PE and sport premium to:

- Build capacity and capability within the school to ensure that improvements made now will benefit pupils joining the school in future years
- Develop or add to the PESSPA activities that your school already offers.

**The Primary PE and sport premium should not be used to fund capital spend projects; the school's core budget should fund these. Further detail on capital expenditure can be found in the updated [Primary PE and sport premium guidance](#).**

The Primary PE and sport premium guidance, outlines 5 key priorities that funding should be used towards. It is not

necessary that spending has to meet all the key priorities, you should select the priorities that you aim to use any funding towards.

Although completing this template is not a requirement for schools, schools are required to publish details of how they spend this funding. Schools must also outline what the impact this funding has had on pupils' PE and sport participation and attainment and how any spending will be sustainable in the future. **All funding must be spent by 31st July 2024.**

The Department for Education has worked closely with the Association for Physical Education (afPE) and the Youth Sport Trust (YST) to develop this template and encourages schools to use it. This template is an effective way of meeting the reporting requirements of the Primary PE and sport premium.

## Review of last year's spend and key achievements (2022/2023)

We recommend you start by reflecting on the impact of current provision and reviewing your previous spend.

Activity/Action	Impact	Comments
Raising attainment in swimming in Key Stage 1	Most pupils were able to swim at least a width of the pool without a swimming aid and some pupils were able to swim up to 25 metres.	Each pupil in KS1 had 10 swimming lessons. Pupils are now confident in the water and have a life skill.
Purchased new bicycles for pupils to use during playtimes.	Using the bicycles during playtimes supported pupils balance and coordination. More pupils were active during playtimes.	Add to the bicycles so that more pupils have a bicycle during playtimes and are active.
The school employ a specialist PE coach 3 times a week.	Pupils receive quality first teaching with a specialist PE coach which enhances PE in school for all pupils.	Teaching assistants attend the PE sessions with the PE coach for CPD.

## Key priorities and Planning

This planning template will allow schools to accurately plan their spending.

Action – what are you planning to do	Who does this action impact?	Key indicator to meet	Impacts and how sustainability will be achieved?	Cost linked to the action
<p>To provide swimming lessons for all pupils in key stage 1.</p> <p>PE coach twice a week and playtime football club.</p>	<p>Teaching staff who arrange the swimming lesson and coach trip to and from the pool. All pupils taking part in swimming lessons. Parent volunteers to support with changing pupils. Leisure Centre staff 3 swimming instructors and 1 lifeguard.</p> <p>Pupils are keen to learn new skills in gymnastics, dance and multi skills. Pupils engage well in PE lessons and are keen to use these skills at lunchtimes and playtimes.</p>	<p>Key indicator 2: The engagement of all pupils in regular physical activity.</p> <p>Key indicator 1:</p>	<p>Pupils to become confident in the water and to learn the life skill of being able to swim.</p>	<p>£2,626.34</p>

<p><i>e.g. CPD for teachers.</i></p>	<p><i>Primary generalist teachers.</i></p>	<p><i>Key Indicator 1: Increased confidence, knowledge, and skills of all staff in teaching PE and sport.</i></p> <p><i>Key indicator 5: Increased participation in competitive sport.</i></p>	<p><i>Primary teachers more confident to deliver effective PE supporting pupils to undertake extra activities inside and outside of school, including teaching water safety and swimming and as a result improved % of pupil's attainment in PE.</i></p>	<p><i>£5000 for 5 teachers to undertake CPD.</i></p>
--------------------------------------	--	--	--	--

## Key achievements 2023-2024

This template will be completed at the end of the academic year and will showcase the key achievements schools have made with their Primary PE and sport premium spending.

Activity/Action	Impact	Comments

## Swimming Data

Meeting National Curriculum requirements for swimming and water safety.

Priority should always be given to ensuring that pupils can perform safe self-rescue even if they do not fully meet the first two requirements of the National Curriculum programme of study

<u>Question</u>	<u>Stats:</u>	<u>Further context</u> <u>Relative to local challenges</u>
What percentage of your current Year 6 cohort can swim competently, confidently and proficiently over a distance of at least 25 metres?	%	Use this text box to give further context behind the percentage. e.g., 30% - we are struggling to get pool space due to our local pool closing so we have had to use a much smaller local school pool. We have had to limit the number of pupils attending swimming lessons during one term which means some pupils have attended fewer swimming lessons than others.
What percentage of your current Year 6 cohort can use a range of strokes effectively [for example, front crawl, backstroke, and breaststroke]?	%	Use this text box to give further context behind the percentage. e.g., Even though your pupils may swim in another year please report on their attainment on leaving primary school at the end of the summer term 2024

<p>What percentage of your current Year 6 cohort are able to perform safe self-rescue in different water-based situations?</p>	<p>%</p>	<p><i>Use this text box to give further context behind the percentage.</i></p>
<p>If your schools swimming data is below national expectation, you can choose to use the Primary PE and sport premium to provide additional top-up sessions for those pupils that did not meet National Curriculum requirements after the completion of core lessons. Have you done this?</p>	<p>Yes/No</p>	
<p>Have you provided CPD to improve the knowledge and confidence of staff to be able to teach swimming and water safety?</p>	<p>Yes/No</p>
