

**ST CUTHBERT'S**  
**C of E ACADEMY**  
INFANTS & PRE-SCHOOL

January 2026

Dear Parent/Carer

**WonderDome Visit – Friday 30<sup>th</sup> January 2026**

Our topic in school this term is *To Infinity and Beyond...* with this in mind, we have booked a WonderDome space experience in school on Friday 30<sup>th</sup> January 2026.

The Wonder dome experience is a planetarium show which will encourage children's desire to ask questions. A tour of the solar system starts the journey of exploration, understanding how each one differs to the next. A focus on human exploration to the Moon and even beyond can be included to enhance their understanding of space history & notable events. Immerse them in the wonder of the Universe and the world of science.

Please do visit the following website for more information; <https://wonderdome.co.uk/>

For this valuable experience we are asking for a contribution of £5.00 per child, this can be made via the payment item which has been set up on Parent Mail. If sufficient contributions are not received we may have to cancel this event.

If you have any queries please do not hesitate to speak to the school office or your class teacher.

With best regards

Sheryl Cooper  
Head teacher
