

Wessex Learning Trust

We Learn Together

Dear Parents and Carers,

We would like to share an important update regarding our school catering provision.

Following a Trust-wide procurement process, Wessex Learning Trust has agreed a new catering contract with Aspens, which will commence on 1st August 2026. This decision has been made to ensure a consistent, high-quality catering offer across our schools, and we will be working closely with Aspens over the coming months to support a smooth transition for all pupils.

As part of this transition, it is essential that Aspens has accurate and up-to-date information about pupils' dietary needs. We therefore ask all parents and carers to please complete [Aspens Allergen Form](#) by Friday 26th June.

When completing the form, please ensure that you include:

- The school your child will be attending in September 2026
- Their year group in September 2026

Providing this information now will help ensure that appropriate provision is in place from the start of the new academic year.

We also want to make you aware of a change to the meal ordering system. From September, school lunches will no longer be ordered through Parent Mail. Further details about the new ordering process will be shared with you later this term, giving you plenty of time to prepare for the change.

We appreciate your support as we work through this transition and continue to focus on providing a positive experience for all our pupils.

If you have any questions, please do not hesitate to get in touch.

Kind regards,

Emma May
